TRADITIONAL MARGARITA

Recipe

Pour kosher salt into a shallow dish. Run a lime wedge around the rim of party cup and dip into salt. Fill cup with ice and set aside. Pour 2oz of your favorite tequila, 2oz Margarita Mix and 1/2oz triple sec into party cup, stirring to combine.

.....

Pro Tips: For a frozen margarita, build in party cup before rimming with salt. Pour into blender and while blending, rim cup with salt. Add a handful of fresh raspberries for a frozen raspberry margarita.

Don't like tequila? Replace tequila with coconut rum for a tropical cocktail, or with equal parts fruit juice and flavored seltzer water for a non-alcoholic refreshment.
